(By Petition) (To be voted on by ballot).

54. Shall we adopt the provisions of RSA 72:37 for the exemption for the blind from property tax? This statute provides that each inhabitant who is legally blind shall be exempt each year from the property tax on a residence to the value of $15,000.00. (By Petition) (To be voted on by ballot).

MT. CAESAR UNION LIBRARY

Librarian's Annual Report

The Library continues to expand its services to the people of Swanzey. During the summer months, on fall Saturday mornings, and for special holidays, Story Hours for the children were held thanks to the efforts of the "Friends of the Library". The summer film program with "Monday Night at the Movies" was presented, and "Traveling Around the World" was the theme of the annual Vacation Reading Program with over 80 youngsters enrolled. Two kindergarten classes and one 1st grade visit the library regularly to borrow books. Books also are taken to the Carpenter Home on a regular basis. As stipulated by George Carpenter in the deed of the Library building, the bell was rung on the 4th of July.

Cub Scouts, Boy Scouts and Brownies helped clean-up the grounds. A fire alarm system was installed by Honeywell and paid for by the annual donations to the Library Support Fund. The exhibit at the Cheshire Fair was created by Hazel Fuller and Janet Parsons and featured a pictorial record of the library's history, winning a first premium. One hundred years ago for the sum of $1.00, George Carpenter gave the present building to the Library Association which had been established in 1880. To honor this occasion, a special celebration was held in July with an exhibit of Town/Library/Denman Thompson memorabilia, a Tea and Book Fair sponsored by the Antiquarian Society of the Library Association, the Library Trustees, and the "Friends of the Library". The "Friends" have volunteered many hours of service in and for the Library. Cathy Cole is chairman for the group. Books and magazines have been donated for Library use and for the Book Fair.

Some statistics showing the use of the library are: Borrowed from the Library - 18,396 books; 1093 magazines; 168 puzzles; 87 records; 72 pamphlets; 68 cassette tapes; 36 filmstrips. 744 reference questions were answered; 8,698 persons came into the Library, and 186 individuals registered to use the Library. Please note that these figures reflect 15 months of operation instead of the usual 12 because of an accounting change to the calendar year.

The Library is open 30 hours weekly and the hours are:

Monday and Wednesday: 1:00 - 5:00 PM; 6:30 - 9:00 PM
Tuesday and Thursday: 9:30 - 11:30 AM; 1:00 - 5:00 PM; 6:30 - 9:00 PM
The telephone number is 357-0456

Serving on the Board of Trustees are: Hazel Fuller, president; Jane Johnson, Vice-president; Debbie O'Meara, secretary; Roger Conway, treasurer; Donna Hills; Myron Steere; Marilyn Parpan; Mark Carrier, Connie Owens. Robert Kenney is the town elected trustee. Assistant librarians are Janet Parsons and Lorraine O'Gorman.

REPORT OF THE STRATTON FREE LIBRARY

Hours:
Tuesdays 2:30 - 8:00 PM
Thursdays 2:30 - 6:00 PM
Saturdays 11:00 - 3:00 PM

The year 1985 has been an important year for the Stratton Free Library. In September we celebrated our one hundreth year anniversay as in 1885, George Stratton gave 10,000 dollars to the town of West Swanzey for a library to be built. A beautiful one room brick building was build with a marble floor and two pillars in the front made of precious stone transported from India. Many town's people attended as did George Stratton's nephew and relatives. There was a large display of photographs of early people and places of West Swanzey generously provided by Edward Calkins. A book sale, ice cream sundaes, and live chamber music added to our festivities. In commemoration of our anniversary the trustees of the library bought two Flowering Crab Trees which were planted in front of the library.

More than 30 readers participated in a treasure hunt during the summer. Books were the treasure, and each person reading more than 15 books received a book from the library.

Thirty-one children and adults attended a Christmas Party in which each made a Christmas Tree ornament to bring home, heard a Christmas story, saw a film, and enjoyed punch and Christmas cookies.

For a few statistics - 4,048 books were circulated along with 189 magazines and 33 records and tapes. 55 new patrons were added to our membership.

It was with regret that the patrons of the library saw their faithful and knowledgeable librarian, Sandy Allen, resign after having served there for 7 years. She was replaced in the middle of September by Evelyn Fortner.

In closing we would like to thank Arlene Perry for all the time she spent this year typing catalogue cards and filing them. Thanks also go to Sue Miller, Carol Haley, and Theresa Stepenuck for helping out with refreshments when needed. And special thanks go to Ernest Perry for being so prompt and diligent in keeping the library warm and repaired.

Trustees:
Ernest Perry, chairman
Raphael Haley, Treasurer
Susan Miller, Secretary

Patricia Fenn Carol Roosa Jan Sevine
Theresa Stepenuck Susan MacPhail, Tuesday night librarian

Respectfully submitted,
Evelyn Fortner, Librarian

SWANZEY VISITING NURSE ASSOCIATION

1985 Report

Swanzey has been a member for 4 years of the Home Health Care and Community Services Inc. During the year 570 visits were required for skilled nursing which included care for the terminally ill, 151 visits for maintenance nursing, 206 visits that included adult and child nursing, rehabilitation therapy and other visits.

There were 1207.5 hours for homemaker aid and 719 visits for the home health aid plus a few visits by a medical social worker and a nutritionist.

Meals on Wheels provided 5029 meals to individuals unable to get out or prepare food for themselves. This service is partially funded by donations from the clients and partly by the State Council on Aging funds and Title 20 funds. Funding is supposed to be matched locally thru donations and or Town funding.

We are continuing our co-sponsorship with the P.T.S. of a dental clinic for pre-school and school age children for the year.

We are continuing the blood pressure clinics every month. They are held at the Town Hall in Swanzey on the last Monday of the month. These are free of charge to all wishing to come.

REPORT OF THE ROAD AGENT

Most streets in the residential areas were swept and the catch basins cleaned. Rocks were dug out of roads in E. Swanzey to eliminate some bad bumps.

We screened our own sand and made 1500 cu. yds. pug mill mix, which we used to resurface Hale Hill Rd., Webber Hill Rd., E. Shore Rd., and sections of Eaton Rd, High St., and Pine St., W. Swanzey. We also used some of this mix for patching. This material costs approximately one-half of what hot mix would.

We installed a new 36″ culvert under Eaton Rd. to compliment the old one during periods of high water. We spent two days preparing for "Gloria", who arrived nearly "pooped" out and little damage was done.

We applied liquid dust controllant to dirt roads. This needs to be applied for two years to be the most effective, and I believe it will be.

We repaired Thompson Bridge and Carleton Bridge which had received damage from Automobiles.

The Swanzey Center sidewalk was constructed on the East side of Route 32 at below budget cost.

Winter maintenance started Thanksgiving week with ice and sleet early in the week and six inches of snow Thanksgiving Day. Since then small dusting storms and ice have put a strain on sand and salt supplies.

Highway Dept. personnel have accomplished most of the equipment maintenance in our own garage, thus saving money.

This year we plan to dig rocks out of some other roads, seal as many roads as possible, blacktop some present dirt roads, and finish the shoulder and slope work on Mill Hill, and reoil.

We plan to loam and seed areas of the cemeteries as needed, and construct driveways in the new sections. Mowing and trimming should go better with a different policy this year.

We should possibly consider mandatory recycling to help alleviate the problems all towns are having with rubbish disposal.

Respectfully submitted,

Elton W. Blood Sr., Road Agent

ANNUAL REPORT OF THE CONSERVATION COMMISSION

This past year, the Swanzey Conservation Commission spent a great deal of time reorganizing and finding out what its powers and duties are. The commission now has accumulated a list of resource people and organizations in addition to various handbooks and legislative outlines that are needed to help us operate. The Commission was active in reviewing dredge and fill permits, investigating citizens concerns about land use and pollution, and educating the public about conservation of our towns' limited natural resources and areas of scenic beauty.

Some specific projects were:

1. Making a list of priorities to address, with ground water protection a primary concern. In line with this, the commission has been requested to survey and locate abandoned oil and gas tanks in town.

2. In conjunction with the Recreational Dept. the Commission is in the process of surveying the town owned property that borders the Ash Swamp Brook off Matthews Road with the idea of creating recreational access to the Ashuelot in the northern part of town. Both committees jointly recommend that sufficient land be held to guarantee recreational access and parking, but the remaining parts may be sold to generate funds for the Recreation Dept.

3. The Commission reviewed several dredge and fill permits, including putting in over 100 man hours of meetings and hearings on one project alone. The Commission intervened with the State Wetlands Board in an attempt to ensure protection of an important aquifer in the northeastern part of town.

4. At our request Judy Tumosa, Soils Conservation Service Wetlands specialist, spent several hours educating members in classifying wetlands. Among topics discussed was classification of so called prime wetlands within the town.

5. The Commission wishes the Towns people to know that two conservation camp scholarships are available. Contact any member for details.

6. Several members attended workshops at the annual meeting of Conservation Committees in Concord.

7. Ground water maps have been obtained from the State Water Supply and Pollution Control Board.

8. The Commission investigated citizen concerns about protection of rare and endangered plants and wild flowers from commercial exploitation. The commission found that the Federal Endangered Species Act is very vague about protecting plants, while the state regulations do not cover plants at all.

9. The Commission ordered a Mylar overlay of the Town Road Network that can be superimposed over the Towns planning maps.

10. The Commission offered enviromental and safety hazard advice to concerned citizens in regards to a chemical manufacturing process proposed for location in Swanzey.

11. The Commission has initiated dialogue with the planning board.

12. The Commission has been working on setting up a regional meeting of Conservation Commissions so that your towns and neighboring town sommissions might work more effectively.

13. The Commission initiated an inventory of all town owned property in order to begin evaluating tracts in regard to their recreational and conservational aspects.
14. The Commission participated in the Ashuelot River clean up day sponsored by the Connecticut River Watershed Council.
15. The Commission assisted Mutual Aid in regard to an oil spill on the Ashuelot.

During the past year, the Board approved 16 subdivisions, 17 Site Plans and five home occupations.

SOUTHWEST REGION PLANNING COMMISSION

The Southwest Region Planning Commission is a voluntary association of 28 towns and 1 city whose citizens understand the purposes and value of both local and regional planning. Over the past year the Commission has served the members in countless ways. Some of the more noteworthy include:

A Commission Regional Highway Advisory Committee studied the regional highway needs and made recommendations to the Governor's Advisory Commission. The Planning Commission's recommendations were evident in the resulting report which, when implemented, should have a positive long range effect on the region. With funding from the State Department of Transportation, the Commission is continuing to study regional transportation issues.

Undoubtedly, the largest project undertaken by the Commission during 1985 was the compilation of a Socio-Economic Profile of the entire region. This book contains information and data on geography, agriculture, population, housing, labor and employment, economics, services, and recreation in the towns of the Region. It is a tremendous resource and was designed for ease of updating so it will remain a valuable resource in the years to come.

The Commission has begun a Regional Housing market Analysis which is designed to document the housing issues and concerns facing the region. This study was made possible by a Targeted Block Grant received from the State.

In addition, the Commission continued to assist towns through planning and zoning technical assistance, grantwriting, cooperative purchasing, and computerized tax and utility billing services.

In Swanzey, the Commission staff has provided considerable assistance to the planning board in drafting several amendments to the Zoning Ordinance which will be considered by the voters at this year's town elections. Additionally, the staff has worked closely with town officials, various state agencies and private parties in an effort to obtain federal grant funds for such projects as the North Swanzey sewer program, housing rehabilitation and economic development activities. While these efforts have met with relatively little success thus far, the Commission intends to continue its efforts on behalf of the town. Finally, the Commission's planning staff has begun initial conversations with the planning board concerning an update of the town's Master Plan which was originally written in 1979.

REPORT OF THE WEST SWANZEY SIDEWALK COMMITTEE

The West Swanzey Sidewalk Committee replaced 280' of sidewalk and built a new retaining wall on North Winchester Street. They replaced 400' of sidewalk on South Grove Street. A new portion of the sidewalk by the Athletic Association Building was rebuilt and new culverts were installed on North Grove/Eaton Road. They also paid for some sidewalks cleaned and weeded. The expenditures for 1985 were $26,416.40.

SWANZEY HISTORICAL COMMITTEE

1984 saw several organizational meetings to explore the feasibility of constructing a Museum and Information Center on Route 10 in West Swanzey adjacent to Brown Memorial Field.

The building will be on land purchased for the Town by the Gordon Browns.

Nancy Brown and Barbara Putnam donated the services of an architect, Richard Monahan of Peterborough.

On April 3, 1985 the Selectmen appointed a group of people to formally establish a Historical Committee. During the year plans were firmed up, and in December a fund drive was started.

Letters were sent to all property owners in Swanzey, plus selected business groups, charitable funds and former residents of Swanzey. The fund drive will continue until our goal is met.

We sincerely solicit the support of all Swanzey people, friends of Swanzey organizations and businesses to assist us in this once in a lifetime project for Swanzey.

PLEASE HELP!

We encourage organizations to conduct fund raising activities for the Museum. The returns have been encouraging. As of January 17th, we have received pledges, cash or securities totaling approximately $65,000.00. We estimate we will need $100,000.00 to construct the building. The goal is $145,000.00, this will allow us to cover start-up costs and the balance will go towards operating expenses.

People have offered to landscape the grounds, help with the electrical work, provide building materials, and others have volunteered their labor during construction. We need all types of assistance.

The building will be of Post and Beam construction, with brick facing. We have signed the preliminary order allowing the supplier of the post and beam structure to start the engineering. This was done to insure the delivery of the material in the Spring of this year, 1986.

Charles J. Hanrahan
for the Committee

How You Can Help?

1. Send in a donation, any amount is welcome, so we may list your name as one who helped build the Museum.
2. Volunteer to work on the Committee.
3. Plan a fund raiser.
4. Organizations - we would like a list of all your members, hopefully with a donation. We will have a special book listing all organizations (churches included) that are in existence in 1986. Please list officers, pastor, etc.
5. Artistic? We need a logo.
6. Construction Experience - We need a building committee chairman and donations of time for construction work.
7. Flair for Writing? We need a Publicity chairperson.
8. Donate building materials.
9. Donation of historical items.

RECREATION COMMITTEE

During 1985 old fencing was replaced a basketball hoop was set up and a new tractor was purchased at Lane Field. New tennis nets were installed and nets to protect the houses adjoining the softball fields were put up at Brown Field.

At Richardson Park, picnic tables were purchased, horseshoe stakes were set, painting was done in the bathrooms, brush was cleaned out and the area in front of the concession stand was paved.

In East Swanzey, the pond on old Richmond Road was dredged out and we are planning a fishing derby for children 15 and under next year.

The Summer program was held at Cutler School and ran for 6 weeks. Approximately 45 kids attended archery, arts and crafts, a trip to Surry Dam, swimming and a hike up Mt. Caesar. This years program was a great success. Many thanks to Rick and Sandy Allen and Jen Hanrahan for their time and effort.

SEWER COMMISSIONERS REPORT - 1985

The sewer commission is pleased to report that 1985 was a relatively uneventful year.

There were three new hookups to the system.

Through the continued efforts of the commission and staff to reduce operation and maintenance cost a surplus of $8600.00+ has been generated for 1985. This surplus will be applied to the 1986 budget to reduce the user charge.

The commissioners will continue to explore methods of reducing 0 + M costs in the future. These efforts will be particularly critical in the coming year, in light of the predicted rate increases for electricity. Electricity is our biggest operating expense.

Glenn W. Page, Chairman
